The Florida Gulf Coast Chapter of the Teamsters National Black Caucus is looking forward to our Sixteenth Annual Educational Banquet. Our chapter is not a local union; but our charter is devoted to serving the youth in our community. Over the past 16 years, Florida Gulf Coast Chapter has consistently supported the youth in achieving educational goals through mentoring, tutoring and scholarships. We will continue to support the College Book Fund to help students in need, the Visible Men Academy, MOSAIC Academy of Tropicana Products, and other organizations that share the same goals. This is our largest fund raising event and we thank you in advance for your support.
